ADOPT A CORNER ON MAIN STREET

A big **thank you** to all those People and Businesses who adopted a corner on Main Street last summer. Though the weather prevented us from getting them planted early, the project has been a huge success and we would like to continue for this coming year. If you would like to continue with this, you will have first choice on your corner park.

If you are interested in adopting a corner this summer, please see the following ways you can:

- ◆ You can tend to a corner that Trico will plant in late May to early June.
- ◆ You can pick up a flat of flowers (call city hall for details), plant and care for your park.
- ◆ You can purchase the plants and care for your park by donating \$100 to the DDA

Regardless of which level you choose to participate, a sign with your name will be placed in the corner park. Businesses, especially those along Main Street, may consider this a great way to advertise.

To reserve a corner, please call City Hall at 563-9961, or mail to 915 Main Street, 49870 your request to City Hall and mark it DDA Corner Park Project. Just remember to indicate which corner you want to adopt.
