Site Plan

Attachments Required:

Site Plan is required for all VARIANCE applications and must comply with Sections 1103 or 1104. Use separate sheet.

- A. A legal description of the subject property.
- B. Show all existing and proposed buildings; label proposed buildings and dimensions.
- C. Identify use of each building.
- D. All lot lines and label lot dimensions.
- E. Label distances to lot lines, water bodies, and other structures.
- F. Show all roads and easements.
- G. Show natural features affecting development (rock, water, etc.).
- H. Show parking spaces, signage (size and location) and any other applicable man-made features.
- I. Show well and septic locations.
- J. Indicate north arrow and draw site plan to scale.

Additional Information Required for Specific Request (Attach on separate sheet):

- A. Appeal of Administrative Decision-See Article XV (section 1505)
 1. Statement of circumstances: why is this appeal requested?
- B. Determination of Similar Use-See Articles IV and XV
 1. Description of applicant's intended use.
- C. Determination of Parking Requirements-See Articles VIII.
 1. Description of applicant's intended use.
- D. Interpretation of Ordinance-See Article XV (section 1503)
 1. Applicant's interpretation of applicable section(s) of the Zoning Ordinance.
 2. Statement of circumstances generating this request for information.
 3. Attached exhibits: Please list and attach.
- E. Payment In Lieu of Off-Street Parking-See Articles VIII (section 803)
 1. Description of applicant's intended use.
 2. Number of minimum spaces required by ordinance.
 3. Circumstances why the applicant cannot provide the required number of spaces.
 4. Reason the proposed rezoning is requested.
- F. Variance-See Article IV, Article XI, and Article XV
 1. Description of applicant's intended use.
 2. Variance requested.
 3. Applicable sections of the Zoning Ordinance.
 4. State reasons property cannot be used or structure cannot be placed in compliance with the Zoning Ordinance. You are required to demonstrate unnecessary hardship or practical difficulty before a variance can be granted; mere inconvenience is not sufficient to meet statutory requirements. Unnecessary hardship means that the zoning is so restrictive that no reasonable use of the land is permitted; practical difficulty generally means inability to meet dimensional requirements due to unique physical characteristics of the site. (Use a separate sheet if necessary).
 5. Site Plan-must comply with Section 1103 or 1104. Please draw to scale, use page 4 or separate sheet.

*Additional information may be required at the discretion of the Zoning Administrator.
